

All about us

Our organization Vizcarra y Asociados Sociedad Civil S. C. R.L. has been working since year 2000, offering audit and consulting services with great efficiency in the national market. We were recognized as Members Associated to the independent net of the acknowledged English company MOORE STEPHENS who is one of the world- wide leaders in consulting and accounting nets.

This covenant strengthens our quality service and fortifies the prestige that our company possesses in our country thanks to the experience of the associates that conform it and the working quality of our collaborators.
